

City needs someone with time, energy and commitment

March 24, 2010

Many months ago we encouraged Anna Peterson to run for mayor of Salem.

We saw in her a willingness to step up to find solutions to many community issues like restoring the Historic Elsinore Theatre and making neighborhoods safe with the successful no meth in my neighborhood program.

Anna is tireless. Anna takes charge. Anna is a leader. At these critical times, Salem needs someone with the time, energy, vision and commitment to Salem's future.

Join us in voting for Anna Peterson.
