

Peterson will help make Salem prosperous

April 24, 2010

I am voting for Anna Peterson because as a full-time mayor, she can continue her ongoing work to make Salem a prosperous, livable community.

She is a community leader who steps up and makes Salem a better place to live. She successfully works in partnership with government and private businesses to find solutions for our community's concerns. No Meth — Not in My Neighborhood is the perfect example of her leadership success.

Join me and vote for Anna Peterson, Salem's next full-time mayor.
